

Invitation of application for hosting prospective Ramalingaswami Re-entry Fellows and Ramanujan Fellows at ADAMAS University, Kolkata

Subhash Mukhopadhyay Centre for Stem Cell Biology and Regenerative Medicine (SMC-SCBRM) at ADAMAS University, Kolkata, invites application to host researchers having fellowships of Government of India like Ramalingaswami Re-entry Fellowship and Ramanujan Fellowship.

SMC-SCBRM is a newly established start-of-the-art research facility embedded in ADAMAS University, Kolkata, and also the first research unit in eastern India dedicated for research on stem cells and regenerative sciences.

To able to work at this centre and thus to select ADAMAS University as the host for applying to re-entry fellowship programme, please send a brief Statement of purpose (1page) and your CV containing the list of your publication along with the names and contact details of 3 referees from 9th June 2021 onwards to **Dr. Maharshi Krishna Deb** (maharshi.deb@adamasuniversity.ac.in).

The application will be accepted till 31st October 2021.

Total of 5 applicants will be supported this year from each fellowship programme. Please note that this notification is only for selecting candidates to provide support as host organization for their application to re-entry fellowship programme. Only those candidates who would be awarded the fellowship will be hosted.
