

Agastya Fellowship Program

Program aims to develop a cohort of change leaders, innovators and solution-seekers who can join our movement of building an India sparked with curiosity, creativity and confidence.

Who we are looking for:

- Individuals who are inclined towards working in the development sector and are enthusiastic about transforming the existing teaching-learning methods in government schools in India.
- Candidates interested to work at the grassroots level with underprivileged students and government school teachers.
- Focus on developing innovative hands-on methods of teaching- learning and revamp the existing programs and processes.
- Candidates who have completed their undergraduate degree
- Candidates need to be from tier one and tier two institutions have a minimum score of 60 percent or equivalent GPA in their undergraduate degree with 2 years professional experience or postgraduates with good academic score.
- Candidates from other institutions are encouraged to apply but will be considered for the position of a junior fellow.
- DBA and LGBTQIA+ candidates are encouraged to apply

We are looking for fellows who can make an impact in

- Program design and development
- Program implementation
- Media and communication
- Research and impact assessment
- Content development and digital learning
- Grants, fundraising and donor relations
- Field Operations.
- IT systems, applications development and maintenance in the areas we are looking for.

Duration and location:

12 months - [1 month of orientation and training to understand the working of a nonprofit organization and its various departments. Following which, the fellows will be working in various departments like Program Design and development, Program implementation, media and communications, etc., based on their interest and educational qualification].

The fellows will be working remotely and might be expected to conduct field visits
