Call for Junior Research Fellow

Applications are invited from suitable candidates for the post of Junior Research Fellow (JRF) to work in the research project at the Nitte University Centre for Science Education and Research, Nitte (Deemed to be University), Deralakatte, Mangaluru.

Title of the project	Hierarchical self-assembly of homologous recombination repair foci: development of a physiologically relevant model system for molecular-resolution studies.
Funding agency	DST-SERB, Govt of India
Project Investigators	Dr. Arshdeep Sidhu (PI)
No. of posts	One
Fellowship	Rs. 31,000/- per month + 16% HRA
Eligibility	Master's degree in Biomedical Science/Biotechnology/Microbiology/Molecular Biology/Biochemistry/Chemistry/Any branch of Life Science with at least 60% marks
Essential qualification	Hands on experience with recombinant protein purification using bacterial and mammalian expression hosts. Experience in protein-protein interaction studies will be an added advantage.
Duration	The project is for 2 years. Yearly extension is based on annual review of the performance. The position is co-terminus with the project.

Interested candidates can send their application along with C. V by email to hr@nitte.edu.in with a copy to a.sidhu@nitte.edu.in and indrani.karunasagar@nitte.edu.in & anirban@nitte.edu.in on or before 12th Jan, 2022. Shortlisted candidates will be interviewed. No TA/DA will be paid for attending the same.
