

WORKSHOP ON

"Advancement in Genomics, Proteomics to Drug Discovery & Development associated with Neurological Disorders"

5-8 February 2020

Department of Biophysics, National Institute of Mental Health and Neurosciences (NIMHANS), Bengaluru

The Department of Biophysics, NIMHANS is organizing a hands-on workshop on "Advancement in Genomics, Proteomics to Drug Discovery & Development associated with Neurological Disorders" at NIMHANS in collaboration with Indian Crystallography Association (ICA), Indian Institute of Science (IISc.), Institute of Bioinformatics and Biotechnology (IBAB) and NIMHANS-IOB (Institute of Bioinformatics). The workshop would cover Genomics, Proteomics and Rational Drug Discovery & Development related to Neuroscience. Each participant will get hands-on experience in this program.

Duration: Four days

Total number of participants: 25

Eligible participants: Ph.D. scholars, Junior/Senior Research Fellows, Post-doctoral fellows, Medical doctors/students and Faculties who teach Clinical/Life-Sciences/Biotechnology students.

Registration fee: Rs. 3,500/-

How to apply: Applications should be sent to the organizer in the prescribed format.

Method of selection: Selection will be considered based on the applicant's research/professional background.

Selected candidates should send the Registration fee of **Rs. 3,500/- (Three Thousand Five Hundred Only)** through online payment mode at the below details.
