

HUMAN FRONTIER SCIENCE PROGRAM (HFSP) ACCELERATOR GRANTS

Attention scientists from India

Scientists from India (among other countries) have an opportunity to be a part of a 2024 HFSP Awardee team through HFSP Accelerator Grants. Awardee research teams can include a scientist with relevant expertise as an 'accelerator'. The awardee team and the accelerator can mutually benefit by sharing expertise and skills.

HFSP Awardees 2024
