INVITATION

It is our immense pleasure to invite you all for the “International Science Congress 2019 on **“Contemporary and Advanced Research in Life and Allied Sciences”**”, being organized by Department of Animal Sciences (Zoology), School of Life Sciences, Central University of Kashmir, Ganderbal (J&K), in association with **“United Lightning Vision”**, to be held on September 04-05, 2019. Our chosen theme for the conference is **“Life: An Intriguing Arena”** which aims to provide a platform to researchers and scientists for presenting novel and fundamental advances in the areas of Science and Technology. We expect to facilitate fruitful interactions among researchers exposed to wide variety of research areas with a common interest in improving overall scientific knowledge. Our distinguished speakers across the world will learn and share the new developments in the fields of Life and Allied Sciences.

DETAILS OF VENUE

Central University of Kashmir (Ganderbal, Kashmir-191201) was established in 2009 and progressed by leaps and bounds in J & K, India, under the visionary and dynamic leadership of Prof. Mehraj ud Din, Hon'ble Vice Chancellor. It is a multi-campus University with main campus being developed in Tullmulla, Ganderbal. This University offers innovative courses for complimenting the efforts of already existing Universities in the state. It has following essential features that have been conceived befitting international standards:

- Facilitation of Choice Based System
- Semester based system to enhance curricular space and encourage accelerated learning
- Regular updating and revision of syllabi to enrich the concerned discipline with most recent knowledge, national and international developments and relevant new ideas & concepts
- University level centers like University-Industry-Community-Interaction Centre (UICIC), Internal Quality Assurance Cell (IQAC), ICT facilitation Centre for teaching technology tools and Website Maintenance and Networking of campus & Departments etc. are part of University set up.

Department of Animal Sciences (Zoology) is part of the most vibrant Arts and Science campus, being led by the most dynamic and energetic leadership of Prof. M. Afzal Zargar, Dean Life Sciences, Central University of Kashmir. This department was established in 2016 with a vision to have a tri-fold mandate of Research, Teaching and extension education. We are in pursuit of our commitment towards up-to-date teaching and also taken initiative in introducing newer disciplines to teaching curricula every year. Our aim is to grow and attain diversity in our teaching, which is possible by adding diverse and progressive faculty as resource. Our aim is to not only add to the knowledge in contemporary topics of Life Science in general and Animal science in particular, but also to create an environment for creative research. We are working hard to establish Department of Animal Sciences (Zoology) as a premier institute strong training and excellence in teaching.
