# PhD Programme in BIOLOGICAL AND LIFE SCIENCES

The PhD Programme in Biological and Life Sciences at the School of Arts and Sciences of Ahmedabad University provides a lively exchange with experts from across the academic disciplines and various global partnerships, and the programme grants access to state-of-the-art laboratories. The scope of the division's research spans pure and applied biological sciences ranging from 'ecosystem to molecules'.

## Areas where positions exist:

- Neuroscience
- Molecular parasitology
- Forensic Science and Toxicology
- Systems Biology and Evolution
- Species, Climate Warming, and Evolution
- Structural Biology/biochemistry/bioinformatics

- A 100% tuition waiver will be given to all full time doctoral students.
- Merit based University Assistantship in the form of a full tuition waiver and a monthly stipend is provided to deserving candidates. Other avenues of financial support include teaching assistantships of the School or fellowships from sponsored research projects.

*Ahmedabad University is a private, non-profit research university founded in 2009 by Ahmedabad Education Society (AES), offering a liberal education focused on interdisciplinary learning and research thinking.*
