

Title of the talk

Speaker

Tell us about yourself

Your journey so far

Helpful hints –

Institutes you attended

Degrees earned

Area of specialization

Key accomplishments / impact in your research career so far

Helpful hints –

- *Publications*
- *Features*
- *Awards*
- *Funding*
- *Students mentored*

Beyond research, other interests in science?

Helpful hints –

- *Interest in teaching / pedagogy*
- *Demonstrated interest in science communication*
- *Leadership in specific areas, e.g: Women in STEM, Equity in STEM, Outreach work, Underserved groups, Citizen Science, Conservation*
- *Other ways in which you see yourself contributing to the life science community*

What do you hope to gain from this meeting?

What are you looking for?

Helpful hints –

- *Opportunities for an independent research career in India*
- *The type of institute that will be a good fit?*
- *Possible timelines of applying for funding/starting new job?*
- *How would you like to take this further?*
